AMEND

<House Resolution No. 234>

By deleting the first resolving clause in its entirety and by adding instead following new resolving clauses:

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVE OF THE ONE HUNDRED FIFTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, that we o hereby urge former Vice President Albert Gore, Jr., to reduce his own energy consumption and emission of greenhouse gases to less than quadruple the level of the average American.

BE IT FURTHER RESOLVED, that before proceeding with joining the Kyoto Protocol that the net impact on jobs lost by joining the Kyoto Protocol be examined and the overall net gain or loss of jobs shall be the deciding factor in deciding whether to join the Protocol.

BE IT FURTHER RESOLVED, that we commend the United States for not joining the Kyoto Protocol and thereby looking out for the interests of working Americans.
